15%-25% Landed Cost Advantage vs Southern European Competitors

Agricultural yield, competitive manufacturing & short-sea feeder lanes to European & Arab markets

Alexandria Port (2.5h)

Major Mediterranean Gateway

Egypt's premier Mediterranean deepwater container hub; weekly direct feeder

Damietta Port (2.5h)

Modern Container Terminal

State-of-the-art container terminal with rapid customs processing & specialize

Port Said Port (2.0h)

Suez Canal Hub

Strategic port at the mouth of the Suez Canal; immediate transit routes to GCC, A

Multilateral Free Trade Agreements & Tariff Exemptions:

GAFTA Agreement

0% Customs across all Arab League & GCC member states.

COMESA Free Trade

Duty-free commercial access across 21 African nations.

Agadir Agreement

Euro-Mediterranean accumulation of industrial origin.

Egypt-EU Association

Preferential duty-free entry into European Union markets.

Automated High-Throughput Pitting Lines

Mechanical Pitting

Precision mechanical stone extraction with <1% fragment tolerance; preserves natural fruit cellular integrity.

Rotary Drum Slicing Lines

Calibrated Slicing

Uniform 3.2mm $\pm$ 0.2mm ring thickness; delivers optimal melt-coverage for international pizza chains & catering.

Overpressure Autoclave Retort Sterilization

Autoclave Retort

Computer-controlled counter-pressure thermal processing achieving $F_0 \geq 4.0$; guarantees 36-month commercial sterility.

International Quality Certifications & Regulatory Registrations:

ISO 22000:2018 • HACCP Certified • FDA Registered (US FSMA) • Halal Certified • ISO 9001:2015

Sliced Black Olives (3.2mm)

Caliber 200/220

Pizza chains & food service

Firm ring structure

Drained Weight $\geq 52\%$

Ring Caliber: 3.2mm ± 0.2

Pitted Black Olives

Caliber 180/200

Wholesale & repacking

Meaty, rich texture

Drained Weight $\geq 52\%$

Ring Caliber: 3.2mm ± 0.2

Picual Green Olives

Caliber 240/260

Retail jars & delis

Vibrant orchard green

Drained Weight $\geq 52\%$

Ring Caliber: 3.2mm ± 0.2

Pimento-Stuffed Olives

100% Natural Paste

Supermarket retail packs

Classic savory cocktail

Drained Weight $\geq 52\%$

Ring Caliber: 3.2mm ± 0.2

Kalamata-Style Dark

Natural Fermentation

Gourmet retail & catering

Olive oil & wine brine

Drained Weight $\geq 52\%$

Ring Caliber: 3.2mm ± 0.2

Golden Tuscan Pepperoncini

A10 Cans & Glass Jars

Mild warmth, vibrant yellow hue & crisp snap; preferred across pizzas

Acidity Index: pH 3.2 - 3.6

Crisp Snap • Zero Artificial Colors

Gourmet Hot Red Chilis

Pickled Whole Pods

Hand-selected fiery red chili peppers; packed in calibrated vinegar

Acidity Index: pH 3.2 - 3.6

Crisp Snap • Zero Artificial Colors

Traditional Turshi Baladi

Authentic Egyptian Mix

Carrots, turnips, cucumbers & peppers in authentic heritage spices

Acidity Index: pH 3.2 - 3.6

Crisp Snap • Zero Artificial Colors

Crisp Pickled Gherkins

Petite Cucumbers

Unrivaled crunchy texture snap; infused with yellow mustard seeds, fresh

Acidity Index: pH 3.2 - 3.6

Crisp Snap • Zero Artificial Colors

Foodservice A10 Cans

Institutional Packaging

Food-grade double-lacquered tinplate with hermetic double-seam

Industrial Bulk HDPE Drums

Bulk Repacking & OEM

150kg to 220kg food-grade high-density polymer barrels; airtight

Retail Glass Jars

Supermarket Shelves

370ml, 500ml, 720ml & 1000ml crystal-clear flint glass; vacuum tw

Palletization & Moisture Wrap

Intermodal Export Security

ISPM-15 certified heat-treated timber pallets; multi-layer automated str

1. Cultivar Selection & Agro Sourcing

Direct farm-gate contract sourcing across Fayoum, Ismailia & Sinai groves.

2. Custom Brine & Flavor Formulation

Customized salinity, acidity, and aromatic herb infusions (dill, garlic, chili).

3. Precision Calibrated Cutting

Calibrated 3.2mm slicing, whole pitted, or custom diced geometries.

4. Multi-Jurisdictional Compliance

Full compliance with US FDA FSMA, EU FIC 1169/2011, and Gulf GSO standards.

5. Primary Packaging & Litho Printing

Private brand label application, barcode verification, and reinforced export cartons.

6. QC Release & Container Dispatch

Microbiological inspection, COA issuance, and phytosanitary clearance.

Dual Brand Strategic Flexibility

- Khaeer Alwadi Brand: Turnkey, shelf-ready brand for immediate distribution
- Private Label (OEM): Complete customized manufacturing under client's trademark

Full confidentiality agreements (NDA) & international trade compliance guaranteed

Quality Specification & Chemical Standard Matrix:

Table Olives (Whole & Pitted)

Drained Weight ≥ 52% | pH 3.8-4.2 | Salinity 5.0-6.0% | Defects < 1.0%

Sliced Black Olives (3.2mm)

Drained Weight ≥ 50% | Ring Thickness 3.2mm | Fragment < 1.5% | Salinity 4.5-5.5%

Gourmet Pickled Peppers & Pepperoncini

Drained Weight ≥ 52% | pH 3.2-3.6 | Salinity 3.5-4.5% | Crunchy Snap

Traditional Turshi Baladi & Gherkins

Drained Weight ≥ 50% | pH 3.3-3.7 | Salinity 4.0-5.0% | No Artificial Colors

Ocean Freight Intermodal Container Loading (FCL)

20ft FCL Standard Dry Container:

- Capacity: 10 ISPM-15 heat-treated wood pallets
- Net Payload: 18,000 - 21,000 kg (packaging dependent)

40ft High Cube Container (40ft HC):

- Capacity: 20 to 22 standard pallets
- Net Payload: 24,500 - 26,000 kg (max legal road limit)

Maritime Moisture & Condensation Protection

Desiccant poles installed in every export container

1. Express Sample Dispatch Protocol

Courier dispatch via DHL / FedEx within 48 hours for sensory & lab evaluation.

2. 24-Hour Formal Quotation Turnaround

Transparent Incoterms (FOB Alexandria/Damietta/Port Said, CIF major global ports).

3. Flexible & Secure Payment Terms

Irrevocable Letter of Credit (L/C at sight) or T/T (30% advance, 70% against B/L).

4. Fast-Track Production Laycan

Standard order turnaround of 10-14 days from contract signing to vessel loading.
